Product Vue | Government Contractors Search

Workforce development professionals can use the powerful filtering capabilities in EconoVue to identify and proactively engage with the Government Contractors in your region. In **ProspectVue**:

Select: Advanced Search Tab

Select: Government Contractors Tab

Select Location Parameters: Workforce Region

Enter Location or Click Map: Montgomery WIA

Company Size: >10 employees

Export List in left side panel

For example, Business Services teams in Montgomery WIA, MD can significantly narrow their outreach from the **3,369 contractors** in the region to the **1,107 contractors with greater than 10 employees**.

PRO TIP: Once you export the list, scroll right to the **Global HQ Name** column to organize your contractor outreach strategy by Federal and State.

Use Case Vue | Celebrating Small Businesses

Earlier this month, America celebrated National Small Business Week. Every day, workforce boards work closely with small businesses to enable their growth. In support of that commitment, we highlight three use cases: small business expansion, speciality programs such as the APEX Accelerator program, and micro-grants. All have the same common denominator - targeted small business outreach. Follow us on LinkedIn for the latest use cases. **Check out** all use cases.

Sign up for the EconoVue Skills Series

Register today for our monthly series of 30-minute coaching sessions – each designed to meet a key Workforce data need with a specific set of EconoVue skills and Practices.

The live, online sessions follow three core Workforce tracks:

- Business Outreach
- Research and Planning
- Occupations and Career Pathways

Pick and choose the classes that will impact your work the most – or join us for the entire series! Come back each month to try a new class or revisit a topic for current examples and ideas.

Visit our new Express Sign Up page to register for multiple classes at once!
